Busy Days

We will continue with our many "Fall" activities this week! Please bring leaves to school. They can be any size, shape or color. We are going to sort them and make a chart! If any of you are going to the mountains, please bring "Fall" leaves back to WLPS. Thank you!

Our Fall unit will culminate with "Trick-or-Treating" around our JU campus on Tuesday, October 31st. Parents, plan to join us for a party back at school at 11:30. There will be more information later. For your costume planning, please plan to dress your children in costumes that do not have a super hero theme or costumes having to do with anything violent. (no guns, swords, etc.) Please also plan a simple costume—masks and head gear are often too warm! Watch the bulletin board to sign up to bring food for the party!

It will "Garden Planting Time" this week!

Reading ---Writing---Math

Reading own names and those of classmates, concentrating on the first letter

Writing own names

Pillow Letters

Language Experience – Apple Unit
