Busy Days

Happy Valentines Week!

Please bring Valentines to school on Tuesday. We have made Valentine Bags to hold our Valentines. This is not a party day! Your children's "Hello Books" can be used by the children to refer to when writing classmate's names on the Valentines.

We will continue talking about keeping our hearts healthy this week. We are learning the four food groups, and about eating the right kinds of foods at each meal and for snacks! For snack at school, the next few weeks, we will be tasting foods from the different food groups. Fun!

Our Doctor's Office and Cafe will be up and running this week! Your children will be doctors, nurses, patients, and receptionists in the doctor's office, cooks and waiters in the cafe! Fun! Fun!

Reading ---Writing---Math

Writing with pencils on lined paper
Rhyming games
Counting and Alphabet games
Unit sight words
