

# 2's News for the Week of May 15th

---

Dear Parents,

This is our last full week for the year! We look forward to seeing you for our party on Thursday at 10:45!

Thank you for signing up to share something with our class and families.

Please turn in the parent survey if you have not already done so.

Every year the children's artwork is presented in an art show in the Howard Administration Building on the third floor. Please consider taking a walk with your child to see their special contribution. They should be so proud, their paintings are beautiful!

Thank you for sharing your children with us! It has been a pleasure watching them learn and grow!

Sincerely,

Mrs. Henderson & Ms. Melanie
