

May 14, 2018

Dear Parents,

I can't believe that it is the last week of school! It has been such a joy working with your children and getting to know them. We have had so much fun and now they must move on. I would like to wish each one of you and your children good luck next year. If you are coming back, please stop by and say "hi" at any time. If you are leaving us, please feel free to come by whenever you are in the area to visit with us.

Our annual art show is now up in the Howard Building. It is located on the 3<sup>rd</sup> floor. Every child has a piece of art work on display. Please try to stop by and see it.

Have a great summer!!!

Mrs. Hollenbeck

**Let's Work at Home:** Try to read to your child every day. Children love books and someone reading to them. As you read, ask your child to predict what might happen next. When you have finished a story, ask them to retell something that happened in the story. Also, let your child practice cutting with scissors. Let them cut out pictures from a magazine and glue them onto another piece of paper. Or let them have scraps of different colors of paper to cut and glue to create a picture or card for someone.
