## **Busy Days**

This is the last week of the school year! What a wonderful year it has been. I have truly enjoyed each of your children and all of you. Thank you for sharing your children with me!

---

We have almost completed our ABC tour of the JU Campus. Last week we went to the Orthodontics Lab to see the X-ray machines. What a great experience. The children were reminded to brush and floss daily!! We also visited the Gymnasium, Terry Concert Hall, Swisher Theater, and Kinne University Center.

This week we will walk to the river and dig for fossils, visit the NROTC Building, and the "Art Show" on the 3rd floor of the Howard Building.

---

The Volcano will erupt this week!!

---

The children's art is on display on the third floor of the Administration building. Please take some time with your child and go see it before our ceremony. The day of the ceremony is usually too crowded to get a good look! Your children have done some outstanding art this year!

Dear Parents,  
A Great Big—"THANK  
YOU"—for all your help and  
support this year. I will miss you  
all. Come see me! I'll see  
some of you for Sum-Fun! Have  
a wonderful summer!

Love, Mrs. Flakus

Please refer to our bulletin board for information regarding our 4's Ceremony on Friday. Just a reminder about this Friday: Please bring your children to class at the regular class time. I will bring them to the Howard building in time for the ceremony which will begin promptly at 10:30. Come early to the Howard Building to claim your seats. The reception will follow back at WLPS. We are all looking forward to this very special event!

Please remember when preparing and bringing food to the reception that you bring ample food to provide for our many guests.

---

## **Cooking:**

We will celebrate Adeline's 5<sup>th</sup> birthday on Monday. We will make our famous WLPS muffins in dinosaur shapes!
