

2's News for the Week of December 10th

Dear Parents,

We can't wait to see you on Wednesday or Thursday for our program and party! We would like to sing for you at 10:45 in our room and then we will share the yummy treats you bring to share. Thank you for signing up and remembering our no sugar policy.

Thank you for sharing your children with us in these early stages of their education. It has been so wonderful getting to know them, and watching them learn and grow! We wish you a beautiful holiday season. Stay safe and we will see you in January!

Sincerely,

Mrs. Henderson

Please remember an age appropriate wrapped book for the book exchange!

A HAPPY
NEW YEAR
