

2's News for the Week of February 11th

Dear Parents,

Happy Valentine's Day! . If your child will be bringing in valentines for his/her classmates, please do not indicate who the valentine is for. This will enable the children to distribute the valentine cards themselves. We ask that, as always, you observe our no sugar policy. We will be celebrating Valentine's Day on February 13th & 14th.

Sincerely,

Mrs. Henderson & Ms. Melanie
