

3s Class News

February 4-8, 2019

Snow day was a huge success!! I hope your child enjoyed it as well.

On Friday we also talked about the groundhog. We climbed through our tunnel which we pretended was our burrow and went outside. We did not see our shadows!! The real groundhog did not see his on Saturday, so we should be seeing an early Spring.

This week we will focus on love and valentines. We will be reading The Valentine Bears. We will be learning a few new songs. One of our songs talks about the little love bug who comes to give a kiss and hug to everyone on Valentines Day. We will meet a love bug who will appear every day as we sing the song.

If you have not returned your progress report please do so. I will refill these out at the end of the year and then you may keep them.
We will exchange valentines next Wednesday and Thursday.

Let's work at home: Let your child look at pictures of family members and friends. Let them talk about them and share some of the fun things they do with these people. If you have extra copies of the pictures, let your child make a scrapbook or put them in a photo album so they can look at them when ever they would like.
