

New 2's News for February 15th

Dear Parents,

Happy Valentine's Day! The children will be delivering their valentines to their friends in the beautiful bags that they painted. There are 4 children in the class.

If your child has a bear or a special stuffed animal, please send it with your child the next two weeks and place it in their cubby. We will be dancing and singing with our special friends and have a special picnic.

Have a great weekend!

Sincerely,

Mrs. Henderson, Ms. Melanie
